

Notice Regarding Shipping Policy Update for Flammable Items

In response to recent maritime shipping incidents, particularly those involving fire hazards, we have suspended the inclusion of flammable materials such as lens cleaning fluid and lubricating grease in our product shipments.

Effective immediately, these items will no longer be included in the accessory box:

- **Lens cleaning fluid will no longer be included with any GCC laser product.**
- **Lubricating grease will no longer be included with the following models:**

C180II / Spirit / Spirit LS PRO / Spirit GLS Hybrid PRO / S400 / Piolas 400 / Piolas 400SE / FMC 280

We kindly ask users to obtain these items locally if needed.

Note: To ensure proper maintenance and extend the machine's lifespan, please use only the recommended lens cleaners and lubricating grease listed below.

These products are available on Amazon, through other online stores, or from local authorized distributors. The use of unverified or low-quality cleaning fluids or grease may result in equipment damage or reduced performance.
