Dear Valued Vibrantz Customer:

Recently we have experienced low volume sales on a few of our CerMark products, and as a result, we decided to discontinue these products. Couple this with rising costs in other cost categories associated with manufacturing corrective measure were implemented. We have worked diligently to increase efficiencies and productivity to limit and control expenses to the extent possible. Please see attached list of discontinued CerMark products. These products will not be available once our existing stock has been consumed.

Vibrantz has also limited the pack out sizes available on all CerMark products. Please see an updated CerMark Product list attached.

A limited amount of stock is still available on these discontinued products, if you wish to purchase these please do so ASAP, orders will be filled on a first come bases.

If you have any further questions or concerns, please feel free to contact with Dennis.

Vibrantz remains committed to delivering superior quality, exceptional service, and continued innovation to you, our valued partner.

Thank you for your continued support.

Sincerely,

Dennis Gilmore  
Product Manager
